

GOGGLE RETAINER RING

Wearing both a safety cap and protective goggles can often be a hassle. Encon's new Goggle Retainer keeps your goggles accessible for immediate use. The retainer stores goggles on cap when not in use and keeps goggles securely in place when being worn. Two easy to use options make installation quick and easy.

- Stores Goggles on Cap When Not in Use
- Completely Dielectric
- Secures Goggles to Face When Being Worn
- Quick and Easy to Install
